

3. TACTICAL REFERENCE SCREEN

This screen provides reference information about the military equipment depicted in 5th Fleet.

Units are listed by type — click on the SELECT button to choose between Submarine, Surface, or Aircraft.

The VIEW buttons allow you to scroll through the units one by one.

Reference data shown depends on when you access this screen.

- If accessed when not playing a scenario, the entire catalog of unit types will be accessible. Data will appear below, and to the right of, the picture.
- If accessed during a game, only the units in the scenario will be accessible. Data will appear below, and to the right of the picture. Additionally, on the left will be displayed the current status of the unit in the game.

The QUIT button takes you back to the game (if accessed during a game) or

the CIC Screen (if accessed while not playing a game).
